SENIORS HAVE AWFUL INNING

Permit Juniors to Run in Seven Scores and Drop Game 10-9.

Juniors 1 0 1.000
Sophomores 1 0 1.000
Seniors 0 1 .000
Freshmen 0 1 .000

After having practically salted the game away with "Danny" White-man twirling in his old time form, the high school seniors lagged for an inning yesterday afternoon at Leeper field and when the last out had been marked in the eventful seventh, the juniors had chased seven costly runs across the platter, winning the game 10 to 9.

White-man held his younger opponents at ease during the first six innings and had only been touched for two safe blows, but with these two walks, a hit batter and several errors the third yearites had sent three men across. In the seventh the winners batted around and on four safe blows, coupled with a base on balls and three errors, the seven scores were produced.

Zilky on Mound. Zilky's twirling for the winners was not half bad for a player that never worked regular on the mound before. He had difficulty in keeping the runners to the bag and he was touched rather freely at least when his meant runs.

The game started off in the first when after Sweeney filed out for the first down, "Runt" Hyde slammed the first ball of Zilky's for a four base out, the ball landing in the grass on the east side of Lafayette st. The juniors came back strong, however, in their half of the first and shoved two across, on an error by White-man, giving Sweeney a life on first.

After two were down Zilky caved one for three bags and Sweeney scored, followed a minute later by Zilky who stole home. Ducomb was the leading slugger of the day with three hits out of four trips to the plate. He was robbed of his fourth when Slagel dropped a hot fly in left, that should have been good for a double. He, however, clouted out a homer, triple and single, scoring one-third of the seniors points.

White-man twirled in gilt edged fashion, fanning 15, but got poor support. The next game is scheduled for Friday afternoon when the juniors and the sophs clash.

Hot Liners

By Frank G. Menke.
Oh Johnny McGraw and Connie Mack.

Are thinking of the days away back, when they played nine. In front all the time. But things have now changed, alas, alas!

'Tis better to have played and lost than not to have played at all—Connie Mack. Was he knocking Brooklyn?

Chase's home run in the tenth stopped the ferocious Pirates.

Hats off to Harper and Alexander. Didn't they stop the Red Sox and Braves for the first time this season?

Incidentally it was the first time the Nationals have won in Boston since 1914.

Charley Ebbets is shaking up his Dodgers. What's the good when the weather man reigns supreme?

It's even Steven between the Covaleskie brothers. Stanley was defeated in 12 innings by the Tigers Monday. Yesterday he saw his brother, Harry, knocked out of the box in the first inning. But the Tigers played an uphill game and won.

Comiskey says baseball games are being played too slowly. But defeats come fast enough for the tailenders.

The White Sox smeared their Hosery with Brown.

LAST TERRIER IN CAMP. Outfielder Ted Kayser of Danville, Ill., who has been confined to his home as a result of a quarantine, has reported to Terre Haute and now the list is complete. Kayser in the Northwestern league hit .326 last season and stole 45 bases. Gilbert is figuring on his repeating in the Central.

N. D. TO MEET W. VA. BALL TEAM

Marshall College Next Opponent of Gold and Blue Thursday.

Marshall college will be the next opponent of Notre Dame's varsity baseball team, the West Virginia aggregation being billed to clash with the Hoosiers here Thursday afternoon.

Little is known hereabouts of the southern strength, but it is understood that they have a team capable of giving the gold and blue a hard contest.

Baseball stock at Notre Dame has risen many per cent since the victory over Michigan here Monday. It was the first win of the season for the Hoosiers and did much to make up for the defeats at the hands of Wisconsin and Illinois. The Wolverine victory brought back the confidence to the men and chances are that they will now settle into their regular stride.

Handicapped at Start

Notre Dame was handicapped in the season's opening games. In the first place, Wisconsin defeated the Hoosiers by narrow margins and it will take a good logician to convince the local fans that the Badgers were a better aggregation than Harper's bunch. Illinois was in mid-season form when the locals traveled down to Champaign. The orange and blue nine had just completed a southern trip and the men were in good shape.

Coch Harper sent his baseball squad through a four inning practice game on Cartier field yesterday afternoon. The seconds had the better of the argument during the fray. Harper worked Sheehan in the box for the first team, while Murphy did the hurrying for the seconds. A temporary shift was tried in the infield on the first team yesterday. Wolfe and Spalding exchanged positions, "Louie" going to second base and Spalding working a shortstop. It is not expected that the change will be permanent.

NEWS-TIMES BOWLERS WIN PRINTERS' TROPHY

By grabbing three straight games from the Tribune bowlers while the Hibberditt gang was losing three to the Hardys, The News-Times won the honors in the Printers' league at the Orpheum alleys last night in what has been one of the closest bunched races in the history of bowling. There have been several leaders, but none of the gangs were able to show the way for long.

The standing before the games last night was: Hibberditt won 24, lost 18; News-Times won 23, lost 20. After the three games last night it was: News-Times won 25, lost 20; Hibberditt won 24, lost 21. The Indiana Engraving Co. team finished third with the Hardys fourth, Tribune fifth, and South Bend Engraving sixth.

On next Wednesday night the winners in the seven leagues which have been bowling on the Orpheum alleys will clash for the alley championship. A handsome cup has been offered by the management and a lively battle is expected. High scores will count.

SCHOOL BOYS PLAY TODAY

East Division of League to Have Three Games.

The following games were to be played at 4 o'clock this afternoon: Elder No. 2 vs. Madison at Leeper park, Diamond No. 2; River Park vs. Conitard at Potawatomi park; Perley vs. St. Hedwige at Leeper park, Diamond No. 1.

PACKEY MAY BATTLE

Has Chance to Meet Winner of Lewis-Bright Bout.

International News Service: CHICAGO, April 10.—A battle between Packey McFarland and the winner of the Ted Lewis-Jack Britton go at New Orleans Monday night was in the making.

Emil Thirey, who brought Packey out of retirement last summer for his fight with Mike Gibbons at New York and incidentally winning a young fortune for himself and his charge, has visions of the battle. Affairs are said to have progressed so favorably that Packey is demanding more money. The Crescent City promoters have offered the stock yards battler \$12,500, according to reports, but he demands \$15,000. The battle, if made, probably will be pulled off in New Orleans around July 4.

FIGHT RESULTS

International News Service: NEW YORK, April 10.—Silent Martin knocked out Leo Benz, the Burke middleweight, in the 19th round.

Joe Collins stopped Danny Kurtz in the second round.

Young Brown quit to Young Solly Burns in the second round.

George Thompson of New Haven stopped Tommy Franklin in the second round.

George Underwood defeated Willie Sampson in 10 rounds.

Frank Carbone of Dallas, Texas, knocked out Jack Palmer in the second round.

BENDERS IN FIRST HOME CLASH TODAY

Brownson Hall of N. D. to Offer Opposition at Springbrook.

Unless rain intervenes, the Benders will stage their first home game of the season this afternoon at 3:30 o'clock when they clash with the Brownson hall bunch of Notre Dame.

The men reported at the Y. M. at 12 o'clock and were scheduled to put in several hours of strenuous work.

Two new players reached camp last night and this morning. Eggleston, a catcher, was sent here by Mr. Gilbert of Terre Haute. He has had experience in the Michigan State league and will act as second catcher. Pitcher Crossman was the other arrival. He was unable to report sooner, but promised Smith he would be in condition and looks as if he has kept his promise.

Two releases were handed out this morning by Mgr. Koehler. Ashenfelter and Whiting were the men to leave the blue slips. Ashenfelter is a clever pitcher and should have no trouble in holding a job with the local club, but he was not serious enough for Mgr. Koehler. Whiting is a youngster and looks to have plenty of natural ability, but is lacking in experience. He has a good arm and has a whip throw down to third base that keeps the best of them hugging that corner.

Walker to Start Game

Walker is expected to start the game this afternoon. He was taken to Rochester but had to play the outfield. Madden may get a chance to show what he can do. The big left hander has plenty of stuff this year and if he can get control should show the way in the Central league. Vaiden and Ashenfelter are the only ones who have shown this year and Koehler may call on several to hurt this afternoon.

Beall is scheduled to hold down first base while Koehler, Gray and Tannehill, the other infielders, will be at their respective posts. The outfield will be the Fisher in left, Bushong in center and Grimes in right. Koehler may use Opperfelt in one of the fields to get a line on him in action.

Players Kept Busy

Yesterday was a bright day and the men spent several hours out at the park. They are beginning to turn themselves loose and several spectacular plays were staged. The players realize that it is only a week until the opening of the season and they will have to make use of the next few days to put themselves in shape. Nobody has been rushed and with a few more warm days, Smith's game is going to be fit when the bell rings for the first clash next Wednesday afternoon.

The game this afternoon should prove much benefit to the local players. They will get a chance to hit against curves and the infield will become better acquainted. Smith is anxious to book games with other teams in the city and has announced that his club will play any bunch in the city. Any manager who is anxious to see his men in action can get a game for either Thursday or Friday afternoon by calling Smith. There may be a chance of staging a game on Monday and Tuesday afternoons.

Have Line on Men

Smith and Koehler are
